Dear Business Owner,

Let me take this opportunity to introduce you to the **South County Youth Soccer Club (SCYSC)**. SCYSC is a non-profit, volunteer organization offering recreational athletic opportunities for nearly 900 youngsters, primarily from South Kingstown, between the ages of 4 and 18.

House League sponsorship is a really cost effective way to market and promote your company. **By sponsoring a team, you will be promoted with your logo on the team jersey as well as one year of ads on the SCYSC website.** The players, parents, family members and the South County community will all notice and appreciate your efforts as a team sponsor. The www.scysc.org website features each sponsor on a rotational basis with each click to the home page, as well as listing each sponsor with contact info and website link (if applicable). In the last 12 months, the www.scysc.org website had over 25,000 hits. In addition, SCYSC is a 501(c)3 non-profit organization so your sponsorship is tax deductible.

The cost of corporate sponsorship is \$210 for one team, \$380 for two teams, \$510 for three teams, and \$600 for four teams. This helps to cover the cost of uniforms, referees, and insurance. We hope and believe that at \$210 (less for additional teams) this is an effective and efficient means of community advertising.

If you are willing to sponsor one (or more) teams, please complete the enclosed form with the appropriate fee and return both in the self-addressed stamped envelope by July 15th. We ask that you please send your logo electronically (.gif, .jpeg, .jpg, .bmp format is preferred) so that we can put it on the jerseys and the website. You can email the logo to scysc1@gmail.com.

Thank you in advance for your consideration and generous support on behalf of SCYSC and the children who participate in our recreational youth soccer program.

Sincerely,

A handwritten signature in black ink that reads "Patrick Canavan".
